

# Call for Chapters

## International Handbook of Skill, Education, Learning, and Research Development in Tourism and Hospitality

The **International Handbook of Skill, Education, Learning, and Research Development in Tourism and Hospitality** will develop on a new and updateable “Live” platform that enables peer reviewing for scientific accuracy and quality in addition to print and e-book editions. I accepted this challenging assignment as **I am confident of getting your support as a colleague and friend**. The proposed handbook provides a global perspective on the latest trends, innovative curriculum, research, and skill needs in the travel, tourism, and hotel industry using empirical, theoretical, and conceptual chapters, as well as case studies from around the world. It is prepared for students, researchers, academics, industry representatives, and trade professionals, and appeals to tourist guides who strive to survive in this process, maintain their profession and be ready for future crises.

Contributors from around the world are invited to share their thinking and practice on the following topics (but not limited to)-

### Part I: Identifying Trends and Skills required in Tourism and Hospitality

1. Introduction of needed Skills in Tourism and Hospitality
